

RECRUITING COLLEAGUES IN YOUR WORKPLACE

The more colleagues you recruit, the bigger the impact you'll be making for people experiencing homelessness in South Australia and the greater your chance of making it to the top of the leaderboard!

Here are a few recruitment tips:

- Ask your CEO and executive/leadership team to join your workplace team. This will encourage more staff to join!
- Secure a spot on the agenda of your next team meeting and share why raising funds for people experiencing homelessness is important and ask them to join.
- Print out posters with your team's QR code so that anyone who signs up goes straight into your team (ask us for help with this).
- Prizes are great motivators. Register your workplace team with four or more members and go in the draw to win a Cheese & Wine Office Share Hamper!
