

# HOW TO PERSONALISE OUR CUSTOM CANVA TEMPLATES

- 1** Go to [huttst.org/custom](https://huttst.org/custom)
- 2** If you have a [Canva account](#), log in – if not, sign up for free!
- 3** In the left menu, click Uploads, then upload the photo you want to use.
- 4** Drag your image onto the template placeholder.
- 5** To adjust the position, double click the image and drag it into the right spot.
- 6** To download your custom image, click Share (top right), Download, select the correct page, then the Download button.
- 7** For help, email your image to [events@huttstcentre.org.au](mailto:events@huttstcentre.org.au) and we'll reply with your custom image.
